

# SASHA FIRSOV

GAME & WEB DEVELOPER

## PERSONAL PROFILE

Highly motivated and self-taught game and web developer with over a decade of experience since 2012. Dedicated to creating innovative and engaging digital experiences, currently developing an independent game project. Strong background in both game and web development, with a commitment to continuous learning and skill enhancement. Seeking a role within the game or web development industry to apply my extensive knowledge and passion for creating high-quality solutions in a collaborative environment.
